

# Subie App

29th October 2021

## OVERVIEW

It was great speaking with you and getting a clearer understanding of the direction of V2. Below is a quote on the App given the features we spoke about in the meeting. I have also detailed an approx time frame below.

### App Idea / Features

#### 1) Search Bar Improvement

- > Being able to populate closest studio to users
- > Adding a miles radius on how far people can search from their current location

#### 2) Message

- > Customer can message a studio whenever

#### 3) Studio Side of App

- > Amenities list needs to be more UX friendly,
- > Operating hours a new design to select the hours
- > Individual Studios room have own opening and closing times

#### 4) Cart Features

- > Can studio add like a cart feature for added on's

- Example

The studio might have a set price for room say \$30 but customers might want to add something extra at \$10. This will then add to the final amount on checkout

---

### Quote

- \$2000
- Includes - iOS App, Android & Admin Panel
- Designs, Development and Deployment to App stores
- Dedicated Project Manager
- 3 weeks of development time

### Payment Plan Option

Our simplest option, we split the payment over a 2 tier plan

1. **Deposit - 1000**
2. **Completion- \$1000**

**Note** - There is a 3% transaction fee on all payments

Thanks

The App Ktt Team
