Maintenance Plan

With all plans, we offer full support once the App is complete. We highly recommend moving on to a maintenance plan which will allow us to take care of the bugs and small issues, so you can focus on growing the business.

Our 12-month plan includes:

- Bug fixing

- Full Server Provided*

- App stores upgrades/bugs

- Dedicated project manager

- Round the clock support

Monthly Cost

- $120 per month

First Month Free

Note - If you do not take out a maintenance plan with us, you will need to pay separately for a dedicated or shared server.

If you have any questions please let us know.

Many thanks
