This is the sign up page.

1 Where it says Social snowball please replace it with Social Rocket

2 The text needs to be black for everything.

3 On the picture on the left it says Social Snowball please change that to Social Rocket and include the logo just like they have done.

4 Instead of the picture on the left use this image below.

5 add the logo on top of the Welcome to social snowball

Choose A Plan To Start Your 10 Day Trial

	Dusting	**Snow Day** Most Popular	**Blizzard**
	$12 / per month	**$40** / per month	**$75** / per month
	+ 15% of revenue generated by Social Snowball	+ 10% of revenue generated by Social Snowball	+ 5% of revenue generated by Social Snowball

1 This is the page where users will be able to choose which plan they want to go with.
2 On the top left where it says Social snowball change that to Social Rocket with my logo on the left side like this

3 Change the Choose a PLan To Start Your 10 Day Trial) to (Choose A Plan To Start Your 5 Day Trial

4 Change the Dusting to Noob, The 12$ to 10$, and where it says +15% of revenue generated by social snowball change that to +5% of revenue generated by Social Rocket

5 Change the Snow Day to Intermediate, The 40$ to 30$, and where it says +10% of revenue generated by social snowball change that to +4% of revenue generated by Social Rocket

6 Change the Blizzard to Expert, The 75$ to 50$, and where it says +5% of revenue generated by social snowball change that to +3% of revenue generated by Social Rocket.

7 The rest of the text in the sections leave them the way they are just change the colour to black and leave the tick the way it.

8 Please I want the same font that is in the image.
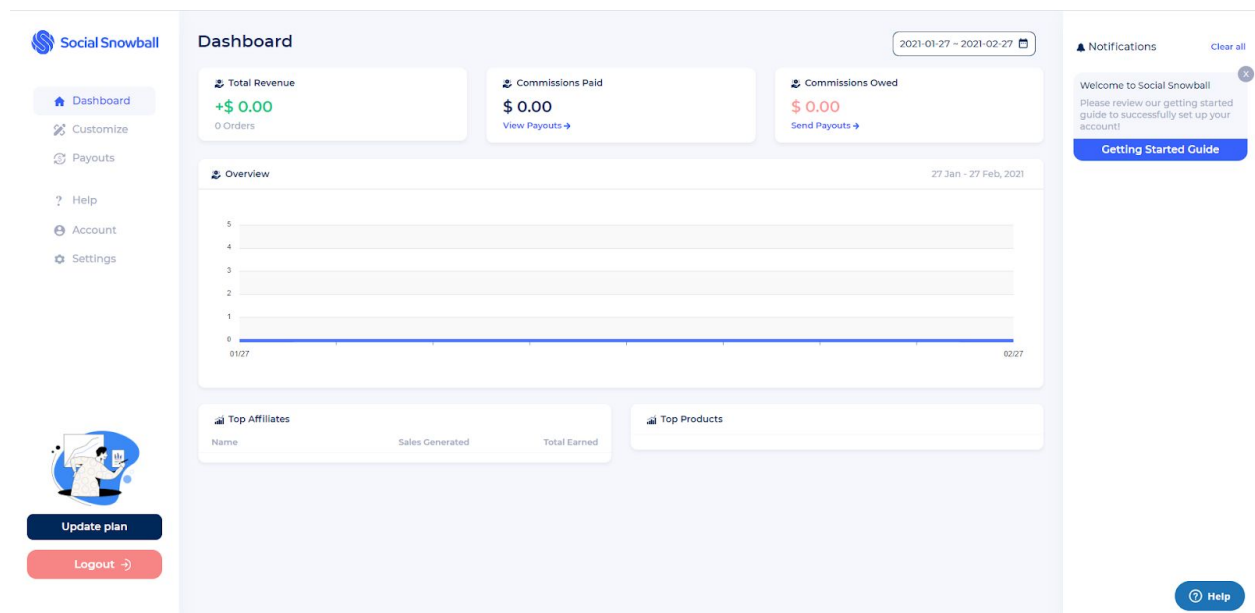

9 This is the dashboard I want the exact same dashboard as this.

10 Where it says Social snowball on the top left please replace it with this.

11 on the bottom left of the image there is an image there pls replace it and use this

12 Please keep everything else exactly the same colours everything dont change anything else I want the exact same Dashboard.

This is where our users will be able to see they payout section again change the top left and the bottom right to the exact same as what i said before and keep everything else the same
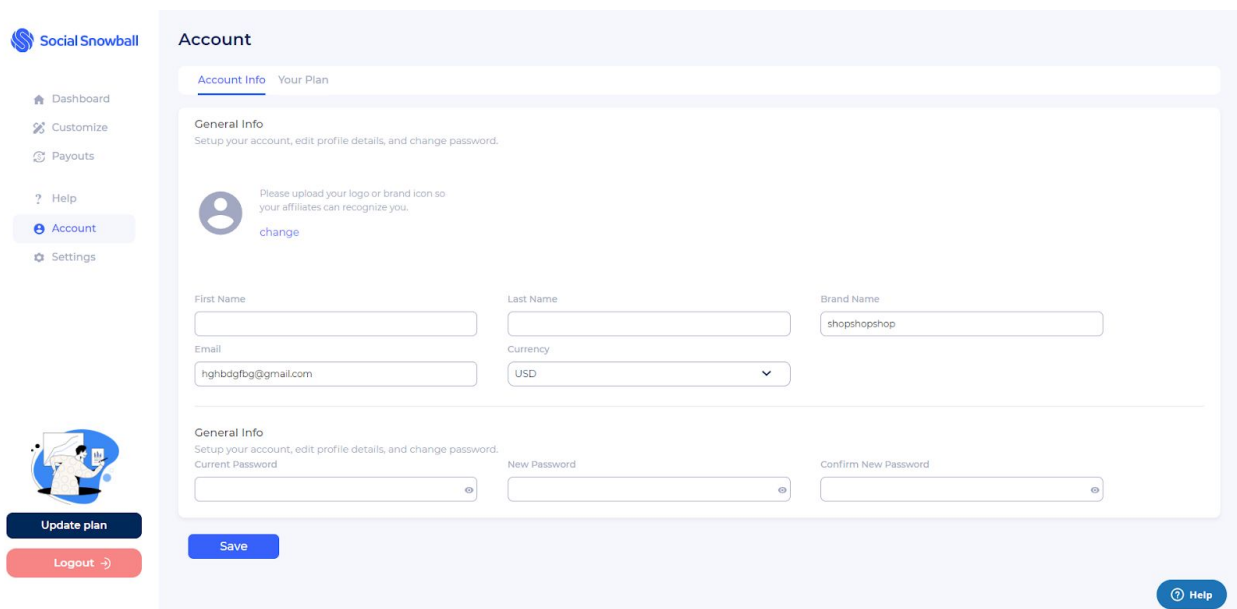

This is where the user will be able to see their account information. Again change the top left and bottom left to what I said before and keep everything else exactly the same.
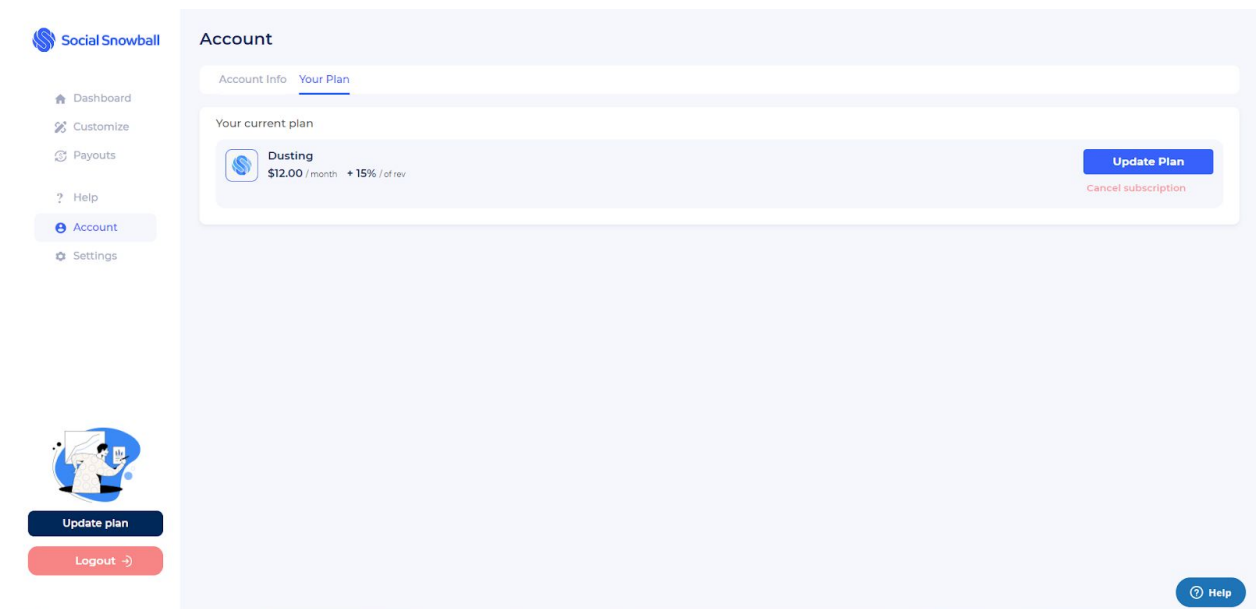

This is where the user will be able to see their account plan again change the top left and bottom left to what I said before. Where it says dusting depending on what plan they choose it needs to match the name i gave in the bennings for the plans. Keep everything else the same.
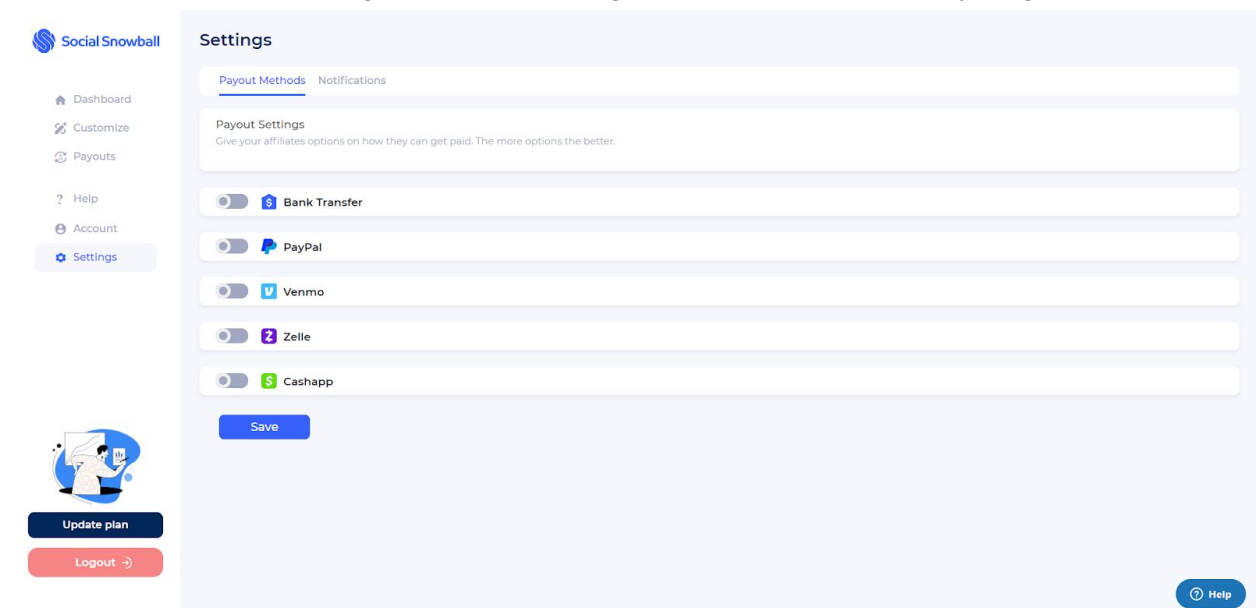

This is where the user will be able to choose which payment options for their affiliates pleasechange the bottom left and top left to what I said before and keep everything else the
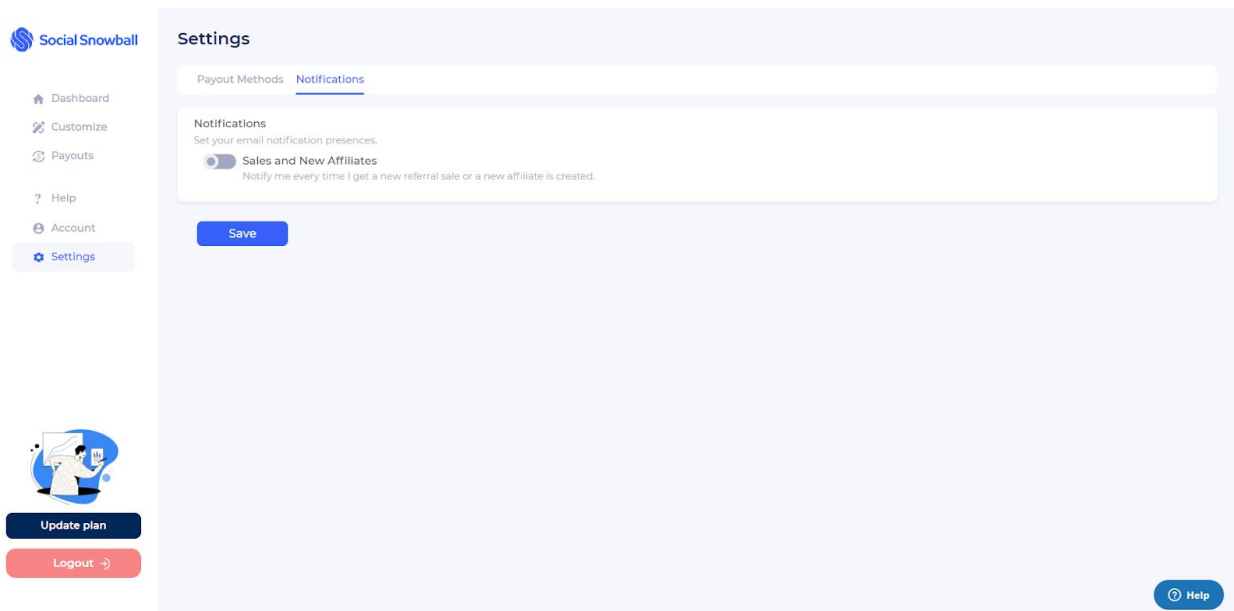

same.

Please change the top left and bottom left to what I said before and keep everything else the same.
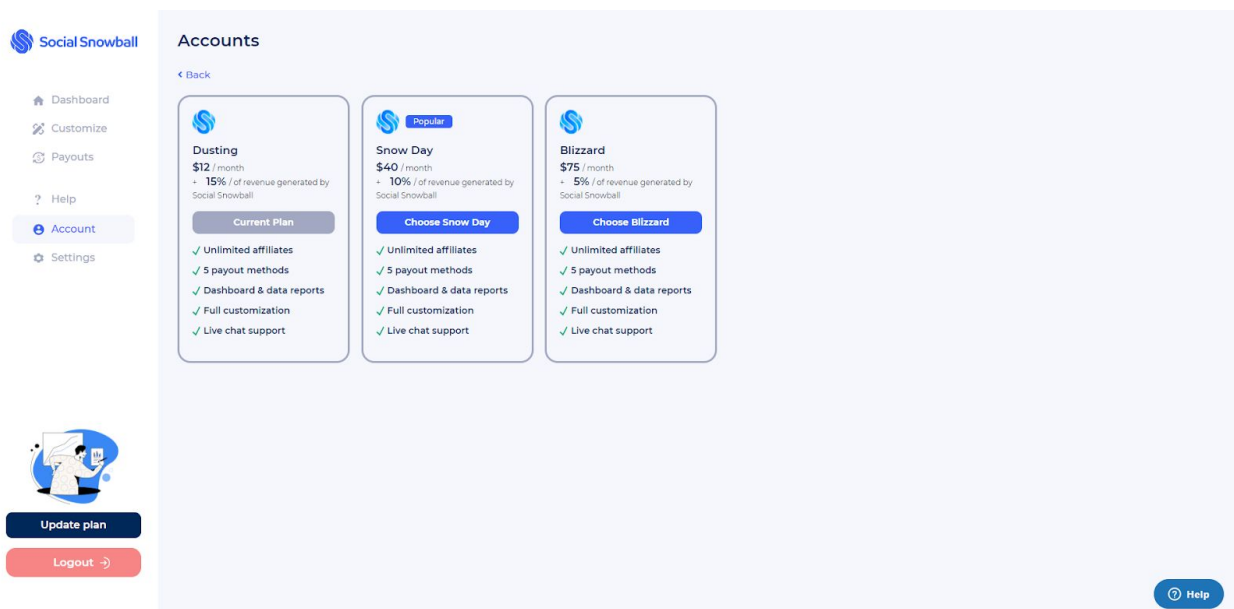

If the user clicks on Update Plan it will take them to this screen Change the Dusting to Noob, The 12$ to 10$, and where it says +15% of revenue generated by social snowball change that to +5% of revenue generated by Social Rocket

Change the Snow Day to Intermediate, The 40$ to 30$, and where it says +10% of revenue generated by social snowball change that to +4% of revenue generated by Social Rocket

Change the Blizzard to Expert, The 75$ to 50$, and where it says +5% of revenue generated by social snowball change that to +3% of revenue generated by Social Rocket.

The rest of the text in the sections leave them the way they are just change the colour to black and leave the tick the way it.

Please I want the same font that is in the image and I want my logo instead of his there. On the top left and bottom left please change it to what I said before.
